QA18b And then? (MAX. 3 ANSWERS) (% - EU)

(% - EU)						
	They lack time, they are too busy	They distrust the political system in general	They face some practical issues preventing them to vote (difficulty to get to the polling stations, disability, health issues, etc.)	They are not convinced by any political party or candidate	There are not interested in the topics discussed during the campaign	They feel like what's happening in the European Parliament doesn't concern them

QA25 Many elements, such as the consequences of the Covid-19 pandemic, the war in Ukraine and rising inflation and prices affect the global economy, including the European Union Member States. Thinking about your personal standard of living (e.g. the goods and services you can afford), which one of these statements comes closest to your personal situation?

(% - EU)

(% - EU)						
	Your standard of living has already been reduced and you expect this to still be the case over the next year	Your standard of living has not yet been reduced, but you think that it will be the case over the next year	You don't expect any change or impact on your standard of living	Your standard of living has increased	Don't know	Total 'You think your standard of living will decrease in the next year'

The European Parliament's Spring 2023 Eurobarometer results reveal citizens' growing awareness of the upcoming European elections. The survey pictures also a continued attachment of citizens to democratic values and their overall satisfaction with EU democracy amid continuing economic difficulties. Finally, it sheds light on Europeans' awareness of and attitudes towards the actions of the European Union and European Parliament.

This survey was carried out by **KANTAR PUBLIC** between 2 and 26 March 2023 in all 27 EU Member States. It was conducted face-to-face, with video interviews (CAVI) used additionally in Czechia, Denmark, Finland and Malta. 26.376 interviews were conducted in total. EU results were weighted according to the size of the population in each country.
